

Nieuwe Pyramide 27 - Wijk Bij Duurstede Begane Grond

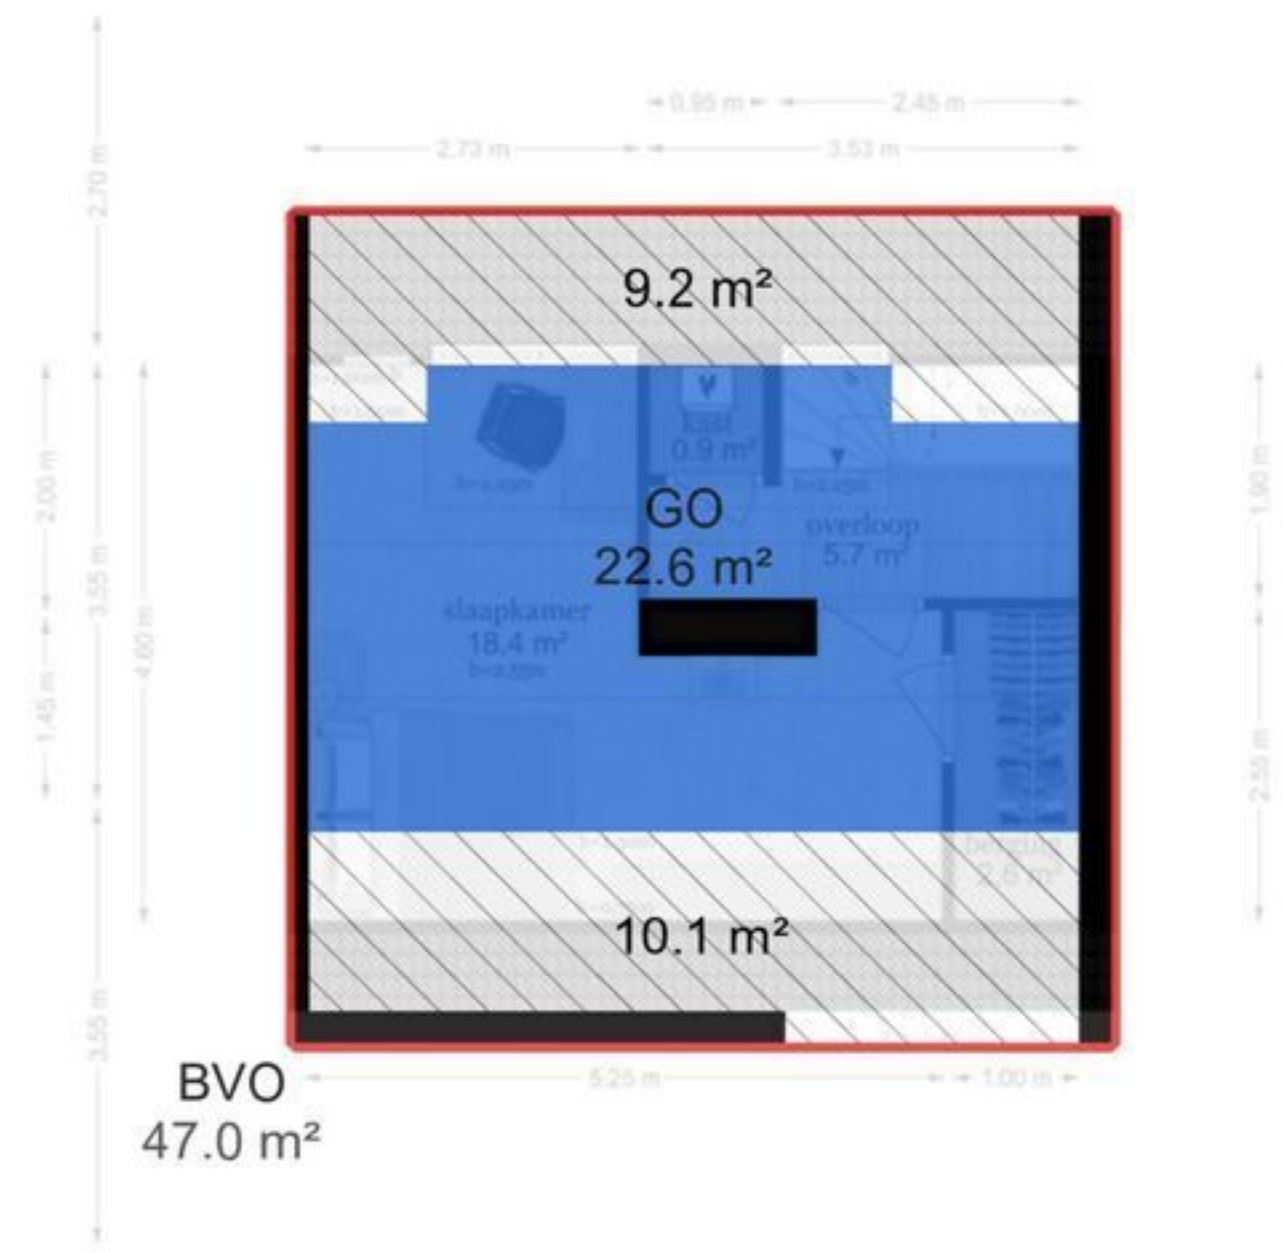

The diagram illustrates the addition of three lengths: 6.36 m, 2.25 m, and 1.43 m. A horizontal line represents the total length, with a bracket above it labeled 6.36 m. Below this line, two smaller horizontal lines are shown, one labeled 2.25 m and one labeled 1.43 m, which together represent the sum of the first two lengths. A third horizontal line below these is labeled 4.00 m, representing the sum of the first two lengths (2.25 m + 1.43 m = 4.00 m).
